Tests

3) Pass the report to the '-z' parameter

2) Take report

1) Assignments tab

CSE 20: Beginning Programming in Python

Fall 2022

3

View activity and create a report

1. Select chapters and sections in the table of contents.
2. Then select class and time options.

Entire class

From: Select date

Select time

Until: Dec 3rd, 2022

Why can't I see my entire class?

All activity up until Dec 3rd, 2022 at 11:59 pm PST will be downloaded.

☐ Include data on time spent in chapters, sections and on activities

Download report
